**DNP Program Outcome**  
Integrate theoretical frameworks to guide the development and evaluation of health care delivery strategies.

**Aligned DNP Essentials**

- *I. Scientific Underpinnings for Practice*
- *III. Clinical Scholarship and Analytical Methods for Evidence-Base Practice*
- *VI. Interprofessional Collaboration for Improving Patient and Population Health Outcomes*
- *VII. Clinical Prevention and Population Health for Improving the Nation's Health*
- *VIII. Advanced Nursing Practice*

Program planning is consistent with organizational goals and reimbursement structures.					
Demonstrate an understanding of how continual improvement is linked to organizational mission and strategies.					
Describes the financial implications of the project.					
Explores and analyzes reasons for project improvement needs.					
Identifies quality measures of interest to organization and population					

**DNP Program Outcome**  
Implement evidence and evaluate outcomes for the improvement of health in specific practice settings, populations, or systems throughout Colorado and beyond.

**Aligned DNP Essentials**

- *I. Scientific Underpinnings for Practice*
- *II. Organizational and Systems Leadership for Quality Improvement and Systems Thinking*
- *III. Clinical Scholarship and Analytical Methods for Evidence-Base Practice*
- *IV. Information Systems/Technology and Patient Care Technology for the Improvement and Transformation of Health Care*
- *VI. Interprofessional Collaboration for Improving Patient and Population Health Outcomes*
- *VII. Clinical Prevention and Population Health for Improving the Nation's Health*
- *VIII. Advanced Nursing Practice*

Health care interventions are consistent with evidence-based guidelines.					
Critically analyzes data for practice.					

**DNP Program Outcome**  
Act as a health care policy advocate in Colorado and beyond.

**Aligned DNP Essentials**

- *V. Health Care Policy for Advocacy in Health Care*
- *VIII. Advanced Nursing Practice*

Disseminates project outcomes to diverse audiences.					
Discusses the potential influences on health policy.					

**Overall Feedback**
