

UGANDA

CLINICAL IMMERSION EXPERIENCE FOR ADVANCED PRACTICE NURSING STUDENTS

Experience the front lines of global health and accelerate your advanced practice nursing skills with a transformative clinical immersion in Uganda. Step outside the traditional clinical walls and immerse yourself in a global healthcare landscape that will push the boundaries of your knowledge and capabilities. Here, you'll further develop your critical thinking, physical assessment skills, leadership capabilities and cultural responsiveness—tools that are invaluable no matter where you practice. Join us for a unique opportunity as we partner with our nursing colleagues in the heart of Africa.
