# Extended Studies Nondegree Program

## SUMMER 2021 Course Offerings

The courses below are offered for the upcoming semester through the College of Nursing Extended Studies Campus. Students who are not matriculated into a degree program - including graduate certificate students - can take nursing courses by requesting enrollment in our nondegree program. All courses are taught online through the Canvas learning management system. For more information, visit our [website](#) or contact us at [con.extendedstudies@ucdenver.edu](mailto:con.extendedstudies@ucdenver.edu).

### TUITION

All students must complete an initial residency classification form as part of the application process. Students admitted into an extended studies certificate program and students who are not admitted into a certificate program but are taking courses as a nondegree student, will be billed at the resident or nonresident rate for Master's Degree Students: 1) For those admitted into a certificate program (admittance based on permission from the Specialty Director), the College of Nursing will adjust the tuition bills to match the Extended Studies Tuition Rate after the add/drop period. 2) Nondegree students not admitted into a certificate program will pay the resident/nonresident rate.

Extended Studies Certificate and nondegree students are not eligible for financial aid. You are academically and financially responsible for all courses, tuition, and fees. The nondegree application will open on Monday, March 29, 2021. See our [Extended Studies FAQs](#).

### IMPORTANT DATES

To register for nondegree courses, go to the following link: <https://nursing.cuanschutz.edu/academics/nondegree-programs> and click the **Apply Now** (Nondegree Admissions) box. After your application is processed, and if there are available seats, you will receive instructions on how to register online. Our office will begin processing Summer 2021 forms on May 21, 2021 and will send out registration instructions on a rolling basis through the start of classes. Nondegree students are prioritized after degree-seeking students and enroll on a space-available basis.

Enrollment Request Deadline (Non-Degree)	May 21, 2021
Enrollment Request Deadline (Certificate)	May 21, 2021
Spring Semester	June 7 - August 13, 2021
Drop Deadline	June 11, 2021 5:00pm
